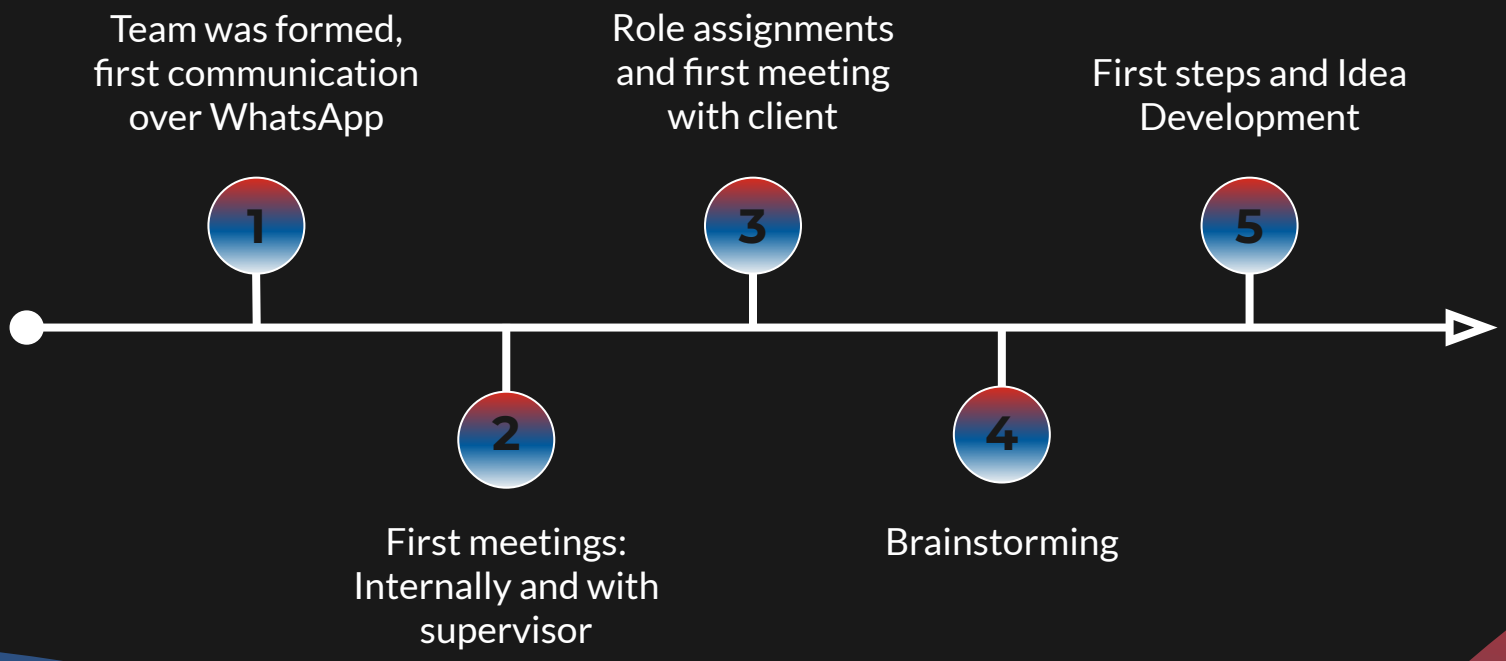
OUR TIMELINE (so far)



INTERNAL COMMUNICATION

Slack

Internal Team communication + communication with supervisor

Google Meet

Video Calls

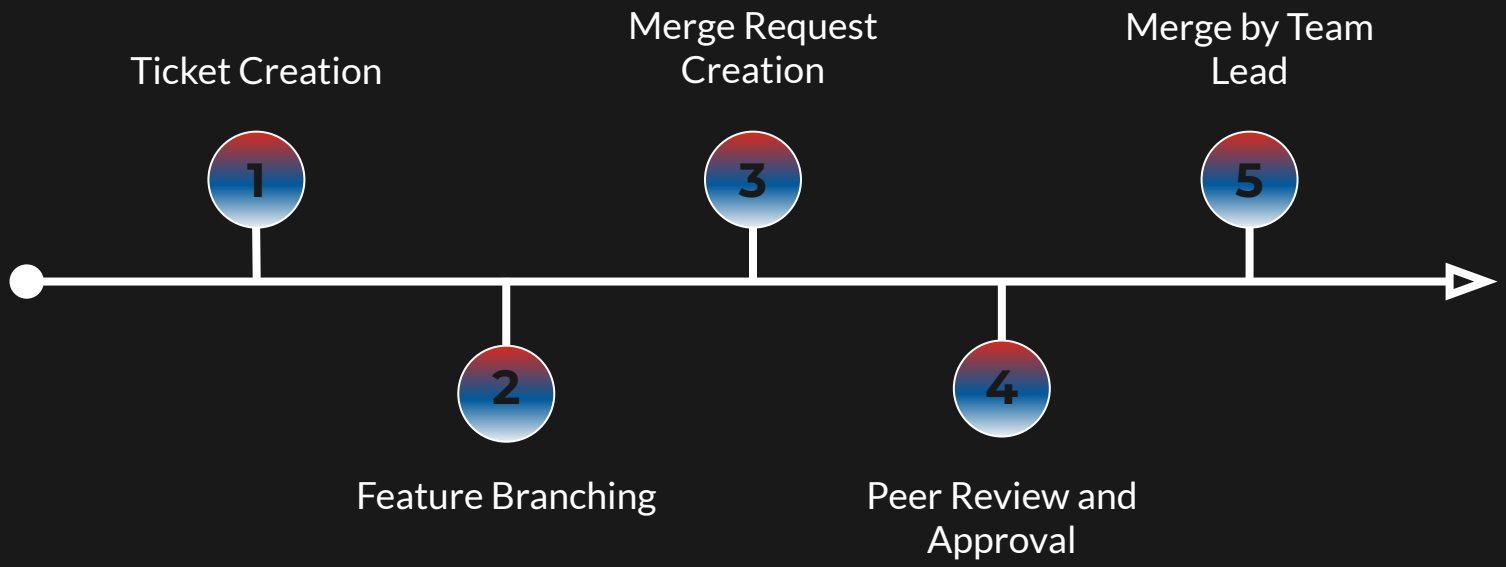
GitLab

App development + Task Management

Team-Strategy

- Meetings:
  - Team-Meetings (Mondays 9am)
  - Supervisor-Meetings (Thursdays 2:30pm)
  - Client-Meetings when needed
- Everybody works on their own tasks independently
- Task-Management over GitLab
- Ideas/Additions to the app have to be approved by the respective lead
- Everybody helps with every task when needed

GitLab/Development-Strategy



OUR GOALS for the upcoming week

PROTOTYPE

Creation of a prototype and click-dummy

RESEARCH

Doing interviews with Transferagentur and online research

REQUIREMENTS

Selecting functional and non-functional requirements
